To whom it may concern,

I am delighted to have been asked to write a reference letter for Siobhan Catinot, as speaking glowingly about Siobhan is simply an extremely easy thing to do. Siobhan worked with us at My Goodness Ltd. and was an integral part of our team for 2 years. I have in fact known Siobhan for much longer than this and was therefore very excited when she approached us for a position. I knew for certain that she would bring a unique array of skills to our business and would be incredibly popular with both her work colleagues and our customers alike. This has 100% proven to be the case.

Siobhan's primary role was working in our store in the English Market, Cork and on farmers markets on the weekends. These are both busy, bustling environments where being able to count on your teammate is of paramount importance and to this end, working with Siobhan was always a genuine pleasure. Her enthusiasm, attention to detail, thoughtfulness, professionalism, and infectious light-hearted spirit were constantly impressive. None more so than in the last year, when our work life was at times turbulent, and customers also required extra reassurance, attention, and patience. During a time when we would have to ask more from our team than we'd ever envisioned, Siobhan was always a steady head, impeccable under pressure and could always be trusted to show up on time and ready for whatever the day threw at her.

Throughout her time working with us Siobhan has also been continuously upskilling, juggling her work life with us with her creative education. I knew the time would come when the rewards of all off that labour would present themselves, and I am confident that that time is now. I wish Siobhan every success and wholehearted best wishes in pursuing her passion, and I know without a doubt that she would be a great asset to whomever is fortunate enough to employ her.

If you would like to speak to me any further, (did I mention she's also really funny?) please don't hesitate to call me on 087 9737 232.

Yours sincerely,

Donal O' Gara
