👤 PROFILE

I am a recent graduate of Pulse College's Top up degree in Animation, having previously attained a bachelor's degree in Animation from Ballyfermot College. I hope to engage in a traineeship in the field of animation or gaming to broaden my knowledge base, gain valuable studio experience and advance my career. I believe my skillsets and my personality make me a suitable candidate for this traineeship. I am a friendly, hard-working, motivated and creative individual. I enjoy a challenge and welcome every opportunity to improve both my interpersonal skills and my technical abilities.

📁 EMPLOYMENT HISTORY

Freelance artist

July 2017 — Present

- Working on a wide variety of creative projects, ranging from children's book illustrations to marketing content
- Gaining valuable time management and organizational skills whilst juggling multiple deadlines across diverse projects
- Ensuring my work is consistently of high quality and of a professional standard
- Developing strong communication skills and building good rapport with my clients

Market stall worker at My Goodness - English Market, Cork

October 2019 — August 2021

- Delivering a professional standard of customer service in a high pressure environment
- Working and communicating effectively as part of a team
- Following correct procedures for safe food preparation and hygienic upkeep of the stall
- Maintaining an excellent work ethic and genuine commitment to the values of my work place

Art Workshop Facilitator at Crawford Art Gallery, Cork

March 2018 — June 2019

- Organizing and running various artistic workshops aimed at both adults and children in Cork city's primary art gallery
- Instructing, assisting and supervising attendees whilst delivering engaging, creative and original workshops
- Developing strong communication and teaching skills
- Adapting my methods of teaching to suit the abilities and ages of every individual attending the workshop
- Designing highly organized and structured classes

🎓 EDUCATION

Animation Top-up Degree, Pulse College , Dublin

September 2020 — June 2021

Results: First Class Honours

A one year course aimed at upskilling an improving my skill sets and technical knowledge.

Link to final project (Password: Star21): <https://www.siobhancatinot.com/short-films>

○ **Bachelor's degree in Animation , Ballyfermot College of Further Education, Dublin**
September 2012 — November 2016

Results: Upper Second-Class Honours

A two year course in which I created a collaborative short film with a group of peers. My primary role was director and my secondary role was character designer.
